

Use the “Puzzle pieces” to illustrate possible arrangements of spaces.

- Keep in mind the “Shared vs Independent” & “Single vs Multi-Use” exercise.
- Identify Outdoor Spaces.

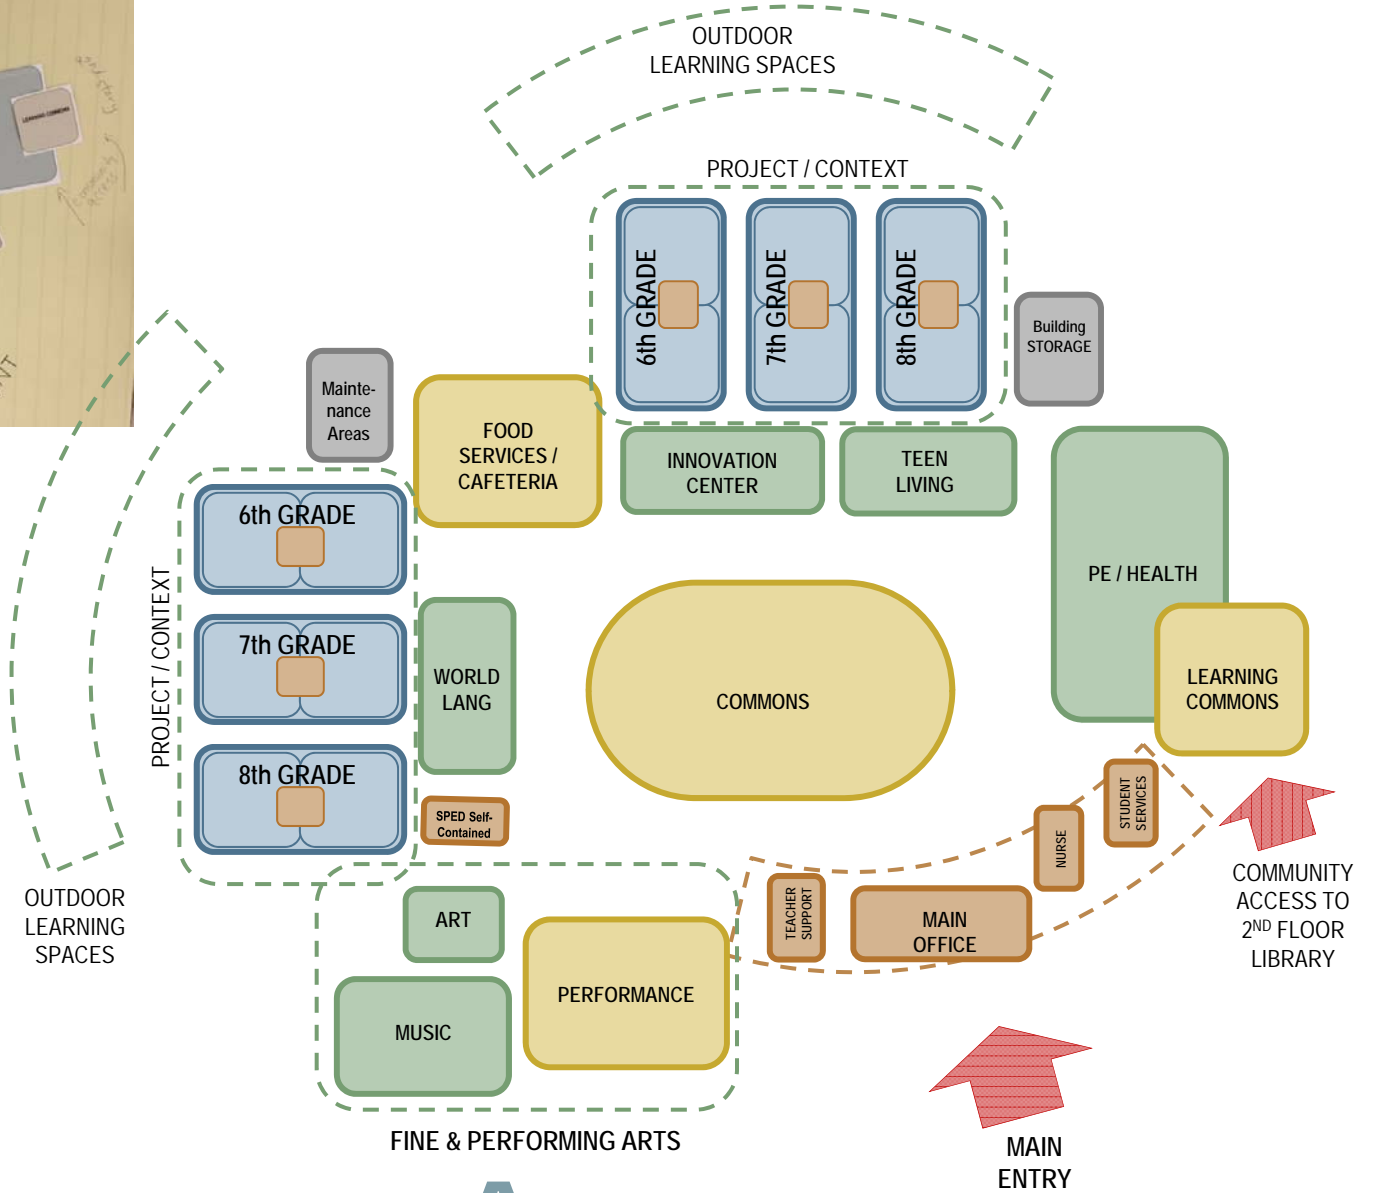

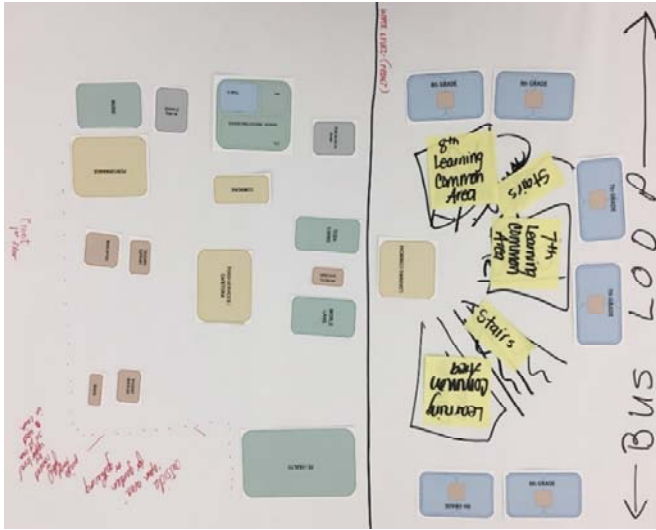

Diagrams on the following pages were developed during the February 2nd planning advisory team workshop #4. Participants worked in small groups of 4-6 people to explore spatial relationships among the programmatic components defined during the planning process (illustrated above).

An interpretation of each “Ideagram” accompanies each original idea.
